About NASTAD

WHO: A non-profit, non-partisan national association founded in 1992 that represents public health officials who administer HIV and hepatitis programs funded by state and federal governments.

WHERE: All 50 U.S. states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, seven local jurisdictions receiving direct funding from the Centers for Disease Control and Prevention (CDC), and the U.S. Pacific Island jurisdictions.

MISSION: NASTAD's mission is to end the intersecting epidemics of HIV, viral hepatitis, and related conditions by strengthening domestic and global governmental public health through advocacy, capacity building, and social justice.

VISION: NASTAD's vision is a world free of HIV and viral hepatitis.

National Harm Reduction TA Center

The **National Harm Reduction TA Center** seeks to build on proven methods of harm reduction technical assistance delivery—programmatic resources, peer support and mentoring, demonstration and program models—to provide coordinated TA to new and established community-led harm reduction efforts, including syringe services programs (SSPs), across the United States and territories.

NASTAD will work with AIDS United and other partners to field and respond to requests for TA and programmatic support from SSPs and community-based harm reduction organizations.

ASSISTANCE AVAILABLE THROUGH THE NATIONAL HARM REDUCTION TA CENTER INCLUDES:

- ✔ Consultation on program planning, design, and implementation
- ✔ Capacity building, workforce development and training
- ✔ Education and resource development
- ✔ Monitoring and evaluation, including best practices on data collection and synthesis
- ✔ Consultation on funding and grant writing
- ✔ Policy analysis and guidance
